Flexibright™ Fleet Marking Grade

ORALITE® VC 612

Flexible reflective prismatic livery film
with pre-printed chevron pattern

Product benefits include:

- Prismatic reflective performance
- Will conform more easily to curved vehicle shapes (surfaces bending in two directions)*
- Enables application of chevron pattern in fewer pieces
- No edge sealing required
- Easy to cut and apply
- Easy damage repair
- Potential single piece removability
- Withstands power washes
- Approved to Class B for French fire vehicles

** Should be limited to minor curves only. Complex curves can be avoided by templating smaller pieces that will be butt jointed giving the appearance of one single piece.*
